Cheryl Angel, a grandmother and unci Sicangu Lakota water protector who fought resource extraction at Standing Rock, was among the hundreds of people who were brutally attacked and pepper-sprayed by DC police on January 20, 2017 during Donald Trump's inauguration.

The same police terrorize protesters, harass sex workers, and murder black and brown people. Just as police rounded up Jewish and Romani people in the Holocaust, sent dissidents to gulags in the Soviet Union, and imposed apartheid in South Africa, today in the United States police kill a thousand people a year and deport and imprison millions more. The fight against the #J20 prosecution is just one part of the struggle against police oppression that targets countless communities.

*Let's take it on together.*
